

The KZN Emmuas Board had their Board Training by Certified Facilitator Amanda Nel this past Saturday. Everyone enjoyed the day, learnt a lot and found it a great opportunity to form a better understanding of the program. We look forward to the first Walk training day this Saturday. Please hold the KZN Board in your prayers as they meet on Saturday morning and the teams of Walk 101 & 102 and Alarga Stroll 103 as they gather for training. If you are interested in serving on one of the teams, please download an application form off the website. God Bless!
