

October 2015

## Greetings in HIS precious name

The third quarter has come and gone and we are rapidly approaching our final set of Walks for 2016.

Once again it is with hearts filled with awe and thanksgiving that we as a community look back on another year filled with GODS love, presence, grace, provision and guidance. Once again we experienced leaders being developed and wonderful testimonies at our closings and gatherings.

This has been a very full and exciting year for our community.

A few weeks ago I read an interview with Frans Ludeke, which was published in a Christian magazine, where he shared his favourite scripture.

Psalms 23 : 1 "The Lord is my Shepherd." He says, "He guides me, He feeds me, He protects me. I have peace because He is for me."

As we enter the last quarter of this year may we know HIS peace and presence, in all that we do.
