

Greetings and blessings,

We extend a warm welcome to the pilgrims of Encounter #123 to the KwaZulu-Natal Emmaus family. We look forward to meeting you and we extend the invitation to you, to join us at all our Ministry events.

With the Emmaus Walk team formation days being complete, the planned Walks, will be held over the weekends of 17 – 20th March for the Men and 24 – 27 for the Ladies. We pray for your support at sponsor's hour, candlelight and closing over these weekends.

Sponsors hour begins on Thursday evening at 19H00.

Candlelight begins on Saturday evening at 19H00.

Closing beginning on Sunday at 15H00.

There are still vacant pilgrim spaces on both events. Please prayerfully consider sponsoring a pilgrim. Application forms are available to download from www.kznemmaus.co.za, as are the prayer vigils for these events.

In addition, I want to share a focus for our events for 2022. That focus is: RENEW/RENEWAL! What do I mean exactly? Renew means to restore freshness, vigour, rejuvenate, repair, restore, revitalize. This is what OUR COMMUNITY needs. We need to bring that freshness, vigour, restoration, revitalization to our Community. We can do this by sponsoring Pilgrims and Caterpillars and hosting events, supporting community events, attending all Emmaus Ministry gathering events and accountability group meetings and even meeting to "break bread" together. I'm sure you can think of other ways to bring RENEWAL to our community. I'd love to hear from you about these.

Our Community Gathering will be held on 30th April, at Hebron Haven Hotel, in the Midlands beginning at 9 am. Please join us for this family event at our bring and braai. Braai packs are available, (250gms sirloin steak, a pork sausage or wors), 2 salads and a buttered roll costing you R85.00. Orders need to be placed with Karen Myburgh, 4th.days@kwazulunatal.emsa.org.za

We look forward to sharing a blessed day, which promises to be good, with you.

Chrysalis teams are preparing to receive their caterpillars as they share team formation days.

The team members and Board request your assistance with sponsorship for some youngsters who cannot afford the full cost of their Flight. In making this request, I am reminded and paraphrase –

"I can do ALL THINGS through Christ who empowers, enriches, equips, enlightens, energizes, recreates, revives, promotes, strengthens, purifies, sponsors, prepares and calls me and you! Yes I canALL THINGS, WE can!" WE CAN, be the change and change a few lives of our youngsters in ways we will never know.

Please sponsor via EFT into the KZN Emmaus Ministries account with the reference SPON.
